

Canberra's 1WAY FM

WORK EXPERIENCE APPLICATION FORM

Thank you for your interest in undertaking work experience at 1WAY FM.

1WAY FM is licensed by the Australian Communications and Media Authority (ACMA) as a Christian community radio station, subscribes to the Code of Practice developed by the Community Broadcasting Association of Australia (CBAA), and is a member of Christian Media Australia (CMA).

To undertake work experience or a vocational placement at 1WAY FM, you must have an interest and be considering a career path in media, Christian missions, or information technology. We welcome all students who have an interest; you don't necessarily need to be a Christian to undertake work experience with us.

Steps for application

- Fill out this form
- Contact us to arrange an interview
- Attend the interview, bringing this form and your school documentation

You will be advised either at the interview or shortly afterwards whether you have been successful. Please note that we are a volunteer organisation, and due to the sometimes limited supervision available we may have to, based on the dates you request, regrettably reject your request before agreeing to an interview.
